**FOR THE FIRST TIME in New England!**

## **BOSNIAN LANGUAGE SCHOOL**

**BCCRD is excited to offer Bosnian language courses for children between ages of eight and fifteen**

There are many reasons why parents might want their children to speak more than one language:

- It has been proven that children who know two languages do better in school academically, have an advantage in problem solving, and are more creative.
- Children who are fluent in Bosnian will be able to communicate more clearly with not only their parents but also with their grandmothers, grandfathers, aunts, and other family members who still live in Bosnia.
- In addition, children who are fluent in Bosnian are more likely to connect to their culture and customs, as well as to adjust easier to a new environment.
- Speaking a second language will also benefit children in furthering their studies in college as well as with any career they choose.

The school will focus on improving language ability in every sense. This means improving listening and speaking skills, while also building reading and writing skills. Children will be able to practice speaking in classroom as well as in small working groups.

**Course will start on November 9, 2009**

Classes (for two age groups) will be held Mondays and Tuesdays:

**Children ages 8-11:** Mondays from 6:00pm to 7:30pm

**Children ages 12-15:** Tuesdays from 6:00pm to 7:30pm

**OPEN HOUSE FOR PARENTS AND OTHER INTERESTED PARTIES WILL BE HELD ON MONDAY, NOVEMBER 2<sup>nd</sup>, 2009 AT 7:00 P.M. IN OUR OFFICE IN LYNN: 20 Wheeler Street, 4<sup>th</sup> Floor**
